Burlington	108,361	55.57%	79,539	40.79%	7,088	3.64%	194,988

Proposal for 2020 Election

- As from analysis of results insight NJ suggest Democratic party should focus on 3 counties

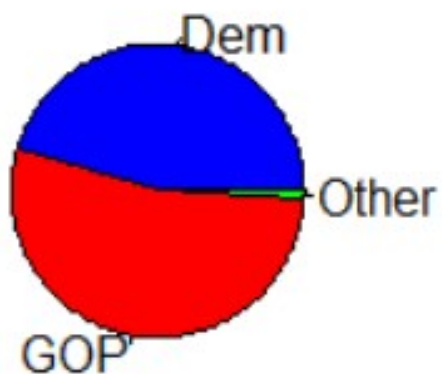

● Morris : 5% increase in vote can lead to win for party

● Gloucester : party lost in 2016 by very close margin

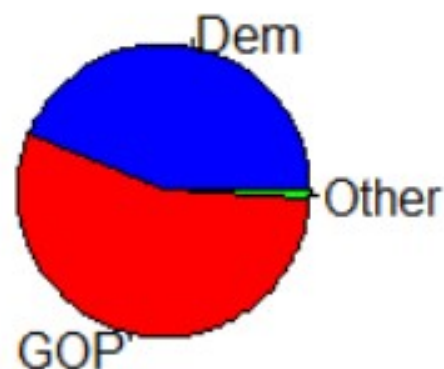

● Salem : put effort to get voters trust back
